

LOGO TIGER 3 INTERNATIONAL PRICE LIST

Valid from January 1, 2021

DESCRIPTIONS

- All prices listed in the price list are suggested end user prices recommended by Logo.
 - All our prices are in USD.
 - Prices may differ depending on valid Logo Enterprise Membership (LEM) contracts in progress, except for the main package and transitional package prices.
 - **Logo Enterprise Membership (LEM)**
 - LEM is a subscription system that provides the latest version of the products used, new features added and performance improvements, and enables special prices for user increase, employee increase and modules to be purchased.
 - For main package purchases, 1-year LEM is free of charge. For product transition purchases;
 - In free and paid transitions within the same segment, LEM validity of the previous product is transferred in a way that will be maintained in the new product (with the same start and end dates).
 - In paid transitions to the upper segment, 1-year free LEM is given for the new product (as of the date of transition to the new product).
 - LEM validity period is 1-year, renewal date will start from the end date of the previous LEM.
 - Users who regularly renew LEM before or within 30 days of the end date, have the chance to renew LEM at reduced prices by benefit from loyalty discount.
 - If LEM validity is expired; additional modules, user increase and employee increase bought "by the valid prices for users have LEM", cannot be installed.
 - LEM must be renewed within 30 days of the end date. During this period if LEM is not renewed, users will be charged with an additional 10% delay fee.
 - LEM price is calculated by the latest configuration (main package, module, user/employee increase) in the product. User increases are included in the LEM price calculation from the moment they are purchased. LEM price calculation for optional modules is made by taking into consideration the next end date of LEM. For each module 1-year after its purchase, the period between the end of the 1-year and the end date of the new Standard LEM is checked and the remaining months are included in the LEM price calculation.
 - Logo Business Partner's service fees such as technical support and product installation are not included in LEM prices.
 - Products that are discontinued by Logo are not included in LEM calculation.
- **Training**
- The training prices may differ depending on countries, please contact your business partner for the training fees.
 - Product related trainings are provided by certified specialist(s). Demands such as Identification, customization and reporting are evaluating separately.
 - It is highly recommended that training and support services to be obtained only from authorized Logo Business Partners and certified training specialists.

– PRODUCT TRANSITION EXPLANATIONS

Tiger 3 Transition from Tiger Plus

13. Tiger Plus users can switch to Tiger 3 solution. Before they switch to up to date product, they should update their LEM. If the end date of “Overdue LEM” is more than 30 days ahead of the order date, it is enough to purchase Overdue LEM alone. If the end date of Overdue LEM is closer than 30 days from the order date, Standart LEM should also be purchased. After the LEM update, they must pay 40% of the standard LEM price of the licenses they have.

Invoice of the product that is upgraded should be delivered to Logo.

Tiger 3 Transition from Subsegment Products

14. Up-to-date LEM users can switch to Tiger 3 from GO 3. If Go Plus users wish switch to Tiger 3, before, they should upgrade to Go 3.
15. For transition from subsegment products, the price difference of main pack, user increase and modules between existing product and upgraded product are charged.
16. Invoice of the product that is upgraded should be delivered to Logo.
