

Logo Tiger Wings international suggested price list (one-time)

Valid from January 20, 2022

Descriptions

- All price and price-related conditions in this price list (including but not limited to license prices, training prices and training durations) are advisory only and are non-binding by Logo.
- All our prices are in USD.
- Prices may differ depending on valid Logo Enterprise Membership (LEM) contracts in progress, except for the main package and transitional package prices.
 - Logo Enterprise Membership (LEM)
- LEM is a subscription system that provides the latest version of the products used, new features added and performance improvements, and enables special prices for user increase, employee increase and modules to be purchased.
- For main package purchases, 1-year LEM is free of charge. For product transition purchases;
 - In free and paid transitions within the same segment, LEM validity of the previous product is transferred in a way that will be maintained in the new product (with the same start and end dates).
 - In paid transitions to the upper segment, 1-year free LEM is given for the new product (as of the date of transition to the new product).
- LEM validity period is 1-year, renewal date will start from the end date of the previous LEM.
- Users who regularly renew LEM before or within 30 days of the end date, have the chance to renew LEM at reduced prices by benefit from loyalty discount.
- If LEM validity is expired; additional modules, user increase and employee increase bought "by the valid prices for users have LEM", cannot not be installed.
- LEM must be renewed within 30 days of the end date. During this period if LEM is not renewed, users will be charged with an additional 10% delay fee.
- LEM price is calculated by the latest configuration (main package, module, user/employee increase) in the product. User increases are included in the LEM price calculation from the moment they are purchased. LEM price calculation for optional modules is made by taking into consideration the next end date of LEM. For each module 1-year after its purchase, the period between the end of the 1-year and the end date of the new Standard LEM is checked and the remaining months are included in the LEM price calculation.
- Logo Business Partner's service fees such as technical support and product installation are not included in LEM prices.
- Products that are discontinued by Logo are not included in LEM calculation.
 - Training
- The training prices may differ depending on countries, please contact your business partner for the training fees.
- Product related trainings are provided by certified Logo Business Partners. Demands such as Identification, customization and reporting are evaluating separately
- It is highly recommended that training and support services to be obtained only from authorized Logo Business Partners which can be found at Logo web site (www.logo.com.tr/en) and certified training specialists.

– Explanations

- Tiger Wings and its options can be used by maximum 51 users. Tiger Wings main package includes 1 user.
Tiger Wings includes; Material Management, Procurement Management, Sales Management (Campaign), Finance Management, General Ledger, Fixed Asset Management, Serial-lot Numbering, Stock Location Tracking, Inflation Accounting, Additional Tax (SCT), Demand Management, Collateral Management, Task Scheduler, Management Console, Work Flow, Project Tracking, BI Basic, Webmaster, Practical Table and Pivot Reports, Report Generator and Interface Customization Features.
- Logo Tiger Wings solution can be used as a hybrid via desktop and / or web browser.
 - The number of users in the system is controlled by "Named User" counting model. These controls are made through the definition of the terminal, control is provided from a counting area on the number of times a user can open the product on the desktop side, and the user can open the product according to this number.
 - Each time a user is logged by the system, it is deducted from the total number of users. the solution can be used by two different companies at the same time but this way two users will be counted in the system.
- Tiger Wings software and hardware requirements are specified in 'System Requirements' document. This document can be reached by "Logo Business Partners"
- User increases that are added onto basic packages individually or consecutively to increase users. Example: 6 users are obtained when "+5 users" increase is installed onto Tiger Wings main package. There is no need to buy any user increase if it is not specified in the list for the options that are used with the sets.
- The data base fee is not included. The Microsoft® SQL Server® and the Oracle update versions are supported.

– Options

- Distribution Management includes delivery and packaging functionalities.
- Foreign Trade includes Import and Export modules.
- User-independent modules' user numbers are limited by the Tiger Wings user number.
- The main pack is available in English, Turkish and one-preffered language. If the users wish, Arabic, Azeri, Persian and Russian language pack/s except these can be purchased.
- Language Pack Price is valid for only one language. Example; Valid LEM owners should pay 2.970x2=5.940 USD for Arabic and Persian Language Packs both.

– LEM

- LEM price is calculated by taking 13% of all current license price of products, user increase and options.

Tiger Wings transition from up-to-date ERP solutions

- Up-to-date LEM users can switch to Tiger Wings(one time) from GO 3 and Tiger 3. The price difference of main pack, user increase and modules between existing product and upgraded product are charged. If users do not have up-to-date LEM, before upgrade, they should update their LEM. If the end date of "Overdue LEM" is more than 30 days ahead of the order date, it is enough to purchase Overdue LEM alone. If the end date of Overdue LEM is closer than 30 days from the order date, Standart LEM should also be purchased.
- Invoice of the product that is upgraded and the disclaimer contract should be delivered to Logo.

Tiger Wings transition from terminated ERP solutions

- The terminated ERP solutions' users (except GO 3 and Tiger 3) can transit to Tiger Wings (one-time). Transition fee is calculated by taking 30% of Tiger Wings (one time) price list.
- Invoice of the product that is upgraded and the disclaimer contract should be delivered to Logo.

– Additional products and services

- Logo Mind Navigator is available only in English and Turkish.

– Product training explanations

Tiger Wings Enterprise transition from up-to-date ERP solutions

11. Up-to-date LEM users can switch to Tiger Wings (subscription) from GO 3 and Tiger 3, Go Wings (one-time), Tiger Wings (one-time). The transition fee is calculated by 'Tiger Wings Transition User' price with current user number. Example: A 10-user-firm should pay 10×150 USD = 1500 USD
12. If transition users have optional modules specified in the subscription price list, no payment is charged to transition users. For the followings years, related modules are charged as monthly/yearly according to requirements.
13. Users can switch to Logo Tiger Wings (subscription) from Logo GO Wings (subscription).
 - When the Logo GO Wings (subscription) solution expires, users will be charged with the price of Logo Tiger Wings (subscription) directly.
 - If transitions to be made while the rental period of the lease solution is in progress, the period between the date of transition and the dates when the solution will expire is taken into consideration and the rental value is calculated for this period. Afterwards, the rental price of the existing product is deducted from the upgraded product's rental price.
14. Invoice of the product that is upgraded and the disclaimer contract should be delivered to Logo.

Tiger Wings Enterprise transition from terminated ERP solutions

15. The terminated ERP solutions' users (except GO 3, Tiger 3, GO Wings and Tiger Wings(one-time)) can transite to Tiger Wings (subscription). The transition fee is calculated by 'Tiger Wings Transition User' price with current user number. The optional modules specified in the subscription price list are charged as monthly/yearly according to requirements.
16. Invoice of the product that is upgraded and the disclaimer contract should be delivered to Logo.

– Additional products and services
